PRINCIPAL'S MESSAGE.....

I would like to welcome you all to another wonderful school year. 2018-2019 is sure to be an amazing one. This year I want to focus on gifts. The gift that each child is to us. The gifts each child, staff member, and family bring to our school and community. And most of all be grateful for all the wonderful things that we have. Focussing on gifts and helping our children understand what gifts they have will only help us all stay on the path to the good life. I hope you have all enjoyed your summer and are ready to work together to make this a wonderful year for our children.

Children Are . . .

<i>Amazing, cherish them.</i>	<i>Noble, esteem them.</i>
<i>Believable, trust them.</i>	<i>Open-minded, hear them.</i>
<i>Childlike, let them.</i>	<i>Precious, treasure them.</i>
<i>Divine, respect them.</i>	<i>Questioners, encourage them.</i>
<i>Energetic, nourish them.</i>	<i>Resourceful, support them.</i>
<i>Fallible, embrace them.</i>	<i>Spontaneous, enjoy them.</i>
<i>Gifts, unwrap them.</i>	<i>Talented, believe in them.</i>
<i>Here Now, be with them.</i>	<i>Unique, affirm them.</i>
<i>Innocent, delight in them.</i>	<i>Vulnerable, protect them.</i>
<i>Joyful, appreciate them.</i>	<i>Whole, recognize them.</i>
<i>Kindhearted, join them.</i>	<i>Xtra Special, celebrate them.</i>
<i>Loveable, love them.</i>	<i>Yearning, notice them.</i>
<i>Magical, fly with them.</i>	<i>Zany, laugh with them.</i>

OUR CODE OF CONDUCT

In partnership with parents and community, we, at Erickson Elementary School, strive to create a climate, which encourages success for every student in a safe and respectful environment. We are committed to creating a community of learners and good citizens.

At our school, we are committed to maintaining a caring environment that promotes safety for all, respect for and acceptance of differences, and opportunities for academic, social, emotional, and physical growth, in an effort to prepare students to meet the needs of an ever-changing world.

Erickson Elementary School is guided by the Rolling River School Division Code of Conduct.

GENERAL INFORMATION

School Hours

Erickson Elementary operates on a six-day cycle consistent with Rolling River School Division. We run a balanced day timetable, see below for times,

Office Hours: 8:30 am - 3:30 pm daily

Daily Scheduled Times

AM

Classes Begin 8:45 a.m.

A.M. Break 10:40 a.m. to 11:20 a.m.

PM

Lunch Break 1:00 p.m. to 1:40 p.m.

Dismissal 3:15 p.m.

POSTING PHOTOS

RRSD actions must comply with FIPPA legislation. All school related information for internet posting needs to go through the school principal. Permissions around posting photos are provided to the school principal when parents respond to the waiver around school photos. The principal is the keeper of that information. If an individual has identified that photos not be disclosed, we must abide by that request. Parent chaperones are an extension of school activities and cannot post school related photos or information. All information for posting needs to go through the school principal.

BIRTHDAY INVITES

We ask that if your children have birthday invitations that the following procedures be considered:

- If your whole child's class is invited to the birthday party, the invites can be handed out at school at the end of the day and placed in the children's planners to take home.
- If the whole class is not invited, we ask that you hand out those invites privately.
- We will not make invites at school.

We respect that it is entirely up to the child and their family to plan their celebration as they wish. We want to be sure that we uphold our school beliefs for acceptance and respect the feelings of all our children. Thank you for your consideration in this matter.

STUDENT ABSENCE AND TARDINESS

For your child's safety, we ask that you contact the school before 9:00 a.m. if your child is going to be absent or late.

If we have not heard from a parent or guardian, we will contact your home by 9:30 a.m.

If there is a change in pick up, we ask that you write a note in your child's planner or call the school before 3:00 p.m.

We ask that you notify your child's bus driver if there is a change in drop off or pick up or if there are other children accompanying your child home.

Students who are late need to notify the office before entering class.

Students who are missing classes are encouraged to make plans with the classroom teacher to get homework or make arrangements to get incomplete homework finished.

Absences from class can detrimentally affect a child's academic progress. We cannot express enough the importance of regular attendance at school. We know it is so important to keep things consistent to help support our children's learning and growth. Please call the school if you require assistance with this.

DRESS CODE

All students in RRSB are expected to come to school neatly dressed and appropriately groomed to compliment a positive learning environment. Students will remove head gear upon school entrance unless for religious or medical purposes. Cut-offs, mesh/halter shirts, revealing clothing that is obscene, suggestive or vulgar in nature shall not be allowed. Inappropriate messages will also not be tolerated. School administration will determine appropriateness and actions necessary if needed.

Please note: students must wear shoes at all times which are safe for school activities. Please note that clean runners and socks are required for physical education classes and indoor wear.

APPROPRIATE DRESS FOR WEATHER

With Manitoba having such extreme weather, we need to be sure that our students are prepared at all times. We are asking that during the winter months, our children are dressed for the extreme cold. While we do have indoor recess when there are extreme temperatures, we may send the kids out for a few minutes during break. If the weather is above -30, students will be outside. For our younger students, extra toques and mitts are always a good idea.

In the spring, when the playground becomes a puddle, we ask that our younger students bring extra socks, pants etc. if they should get wet.

Foot wear is also important. Good outdoor foot wear that suits the weather is important. Students are required to have an outdoor and indoor set of shoes. The indoor shoes should be shoes appropriate for gym class.

If you should have any questions or require assistance in this matter, we are happy to help. Please just give the office a call.

Thank you for your understanding.

NUTRITION POLICY

Erickson Elementary School believes that in working with the home and community, we can encourage healthy lifestyles, which includes proper nutrition and active living, both essential for the proper development of the child.

Erickson Elementary School will promote healthy living through the following:

Proper nutrition and physical education for all students through the Canadian Food Guide to Healthy Eating and the Manitoba Physical Education/ Health Curriculum.

Encouraging nutritional foods during special classroom and school functions.

Healthy foods will be encouraged for morning and afternoon snacks.

Fund-raising does not rely on the sale of non-nutritious foods.

Ensuring proper hygiene.

Encouraging healthy lunch choices.

HOT LUNCH PROGRAM

We are excited to inform you that we will be continuing with the canteen and hot lunch program again this year. It will look even better this year with the balanced day schedule and an increase in options for our students. Nutritional snacks and meals will be available every day at our canteen, with food being provided by the ECI Food and Nutrition class. Hot lunch items will be offered in the second break for \$4. Snack items will be available in both breaks for various prices. Milk or chocolate milk will be available at the canteen for \$.75 a glass on a day to day basis. We will continue to send a monthly calendar home with hot lunch and snack choices and their prices. Punch cards are also available. **Punch cards can be purchased for \$20 (5 meals) or \$40 (10 meals) and can be used for any nutritional snack and/or hot lunch meal.**

The hot lunches will begin Monday, September 10, 2018

If you are planning on taking advantage of the hot lunch program and healthy snacks that we offer during break, we ask the following:

- All orders and money must be placed before **9:15 a.m.** (We must let ECI know how much food we need.)
- Please write in your child's planner what they are to order – hot lunch, snacks, milk etc.
- Please put the money for the snacks, milk or hot lunch in the front pocket of the planner.
- If your child has a food card – please specify this in your child's planner if they are to use it to pay for items.

If lunch orders are not placed before 9:15 we will offer the option of cereal and fruit. Students can still purchase snacks. Thank you for your understanding in this matter.

COMMUNICATION

Communication between the school and home is very important for the success of a student. The school needs to share a variety of information with families and parents should have opportunities to ask questions and respond with regard to the welfare of his/her child. Please take note of agendas, newsletters, parent/teacher conferences and reports, open house, concerts, school website, and notes home. If a parent has a concern with regard to behaviour or academics, it is recommended the parent first contact the teacher and if not satisfied, then speak with an administrator. In almost all instances, problems are resolved when communication is immediate and direct. We will always try to take a solution-focused approach when dealing with issues. Please read the following RRSD guidelines for resolving complaints.

RRSD GUIDELINE FOR RESOLVING COMPLAINTS REGARDING TEACHERS AND ADMINISTRATION

From time to time concerns arise regarding teachers and school administrators. Most of these situations will be addressed satisfactorily through informal discussion between the person(s) with the concern and the teacher or the school administrator. The following guidelines are a suggested process for unresolved concerns or more serious matters that would be characterized as a complaint.

Everyone has an interest that a fair and expeditious process is in place to deal with complaints about teachers or school administrators. The purpose of this process is to find a satisfactory resolution to the complaint(s) raised. Important considerations include addressing the complaint(s) as early as possible, ensuring confidential treatment of complaints.

1. School Level

- Whenever possible, the complaint should be dealt with at the school level.
- It is important the complainant to meet first with the person against whom the complaint is made.
If the meeting with the person against whom the complaint is made does not result in satisfactory resolution, the parties would meet with the immediate supervisor in an attempt to resolve the issue.
- Where a concern or complaint is directed to a division administrator or trustee, it is important that the complaint be directed first to the school to allow for a meeting between the person against whom the complaint is made and, if necessary, with the school principal. No action should be taken by the division administrator or trustee before the concerns/complaints have been addressed at the school level.
- The school board will share its policies or procedures dealing with complaints with its employees, school advisory committees and other individuals or groups as appropriate.

2. Divisional Level

- When complaints are made directly to the school board about teachers or school administrators, they must be recorded in writing and must be signed by the person(s) lodging the complaint, with a copy to the individual named.
- The individual named shall be given an opportunity for explanation and written response.
- The individual named shall always have the right to have a representative of his/her choosing present.
- The immediate supervisor will be notified of the written complaint. Source: Division Policy Handbook

PHONE CALLS

Telephone calls to students during school hours are *allowed only on an emergency basis*. Phone messages can present a problem should students miss an announcement. Parents are asked to discuss plans with their children, regarding where they are to go after school, before they leave home in the morning and write them in the day planner. Please call before 3:00 p.m. if you have a message for your child at the end of the day. *Please contact the classroom teacher using the phone extensions provided.*

SCHOOL SAFETY

Erickson Elementary purposefully plans for the safety of our students in and around our building. These plans include:

1. *Emergency Preparedness*– fire, dangerous intruder, lockdown, evacuation drills and tornadoes.
2. *Student Supervision*– students are supervised before school as well as recesses throughout the day.
3. *Locked Door Policy* - In accordance with Safe Schools Manitoba, EES will have a Locked Door Policy. Our doors will always be locked while classes are in session. In order to have access to the school, you will be required to ring the doorbell. School staff will answer the door. You are still required to be identified at the office upon arrival.

The school is equipped with an emergency and crisis plan. If you wish to know more, don't hesitate to call the school to discuss.

MEDICINE ADMINISTRATION

(and a note about allergies)

PLEASE BE ADVISED THAT MEDICATION MAY BE ADMINISTERED TO SOME CHILDREN DURING THE SCHOOL DAY TO ENABLE THEM TO ATTEND SCHOOL. IT WILL BE ADMINISTERED UNDER THE FOLLOWING GUIDELINES ACCORDING TO BOARD POLICY:

1. This policy applies to all prescribed medication as well as patent or over-the-counter (OTC) medication.
2. In circumstances in which a child is able to safely, competently and consistently manage his/her own medication administration, that child may be considered exempt from this policy. The medication administration policy includes children who, by reason of age, maturation, or physical or cognitive ability are not able to manage their own medication administration.
3. Prior to the administration of prescribed or OTC medication by a school employee, the parent or guardian who has care and custody of the child must provide a signed authorization permitting the school to administer the medication. If parents or guardians have separate but joint care and custody of the child, then both parents must sign the authorization form.
4. The medication will be kept in a safe place in the school and administered by the Principal or his/her designate.
5. The first dose of any medication shall be administered at home or hospital. Schools shall not administer the first dose of any medication. Parents / Guardians are responsible to ensure that the first dosage of the medication is well tolerated by the child before requesting that the medication be administered by the school.
6. Medication shall be provided in the ORIGINAL pharmacy labeled container which clearly identifies:
 - * name of child;
 - * name of prescribing physician;
 - * name of the medication;
 - * dose;
 - * frequency;
 - * name of pharmacy;
 - * date the prescription was filled

The label MUST be on the container itself, such as medication bottle, tube, inhaler, etc. and not merely on the

package. Medication not meeting these conditions, CANNOT be administered by an employee of the school division.

LIBRARY PROCEDURES

Whether working in a class situation or individually, students are expected to use the Library space productively.

Students and staff are expected to:

1. Maintain a quiet work environment.
2. Put materials away after use.
3. Refrain from eating and drinking in the Library.

All Kindergartens, Grade 1, 2, 3, & 4s will be given a book bag at the beginning of the school year and will be required to use the book bag for all sign outs throughout the year. If a student does not have their book bag they will not be able to sign out. If a book bag is lost, the student may purchase another book bag for \$1.00.

If a student has an overdue book he/or she will not be allowed to sign out until those books are returned. If a book is lost or damaged a \$5.00 fee will be charged and until the fee is paid the student will not be allowed to sign out any further books.

Respect and proper care of all library books is mandatory to continue to have the wonderful selection we have access to here at Erickson Elementary.

If you have any questions or concerns, please call Ms. Connie Huntinghawk at 204-636-2266 Ext #447.
